(1) Please note that the Passport Office will not mail a passport to a private address. So your newly passport issued will be mailed to the Embassy in Bangkok. The estimated time required to receive your passport in Bangkok will range between 3 and 4 weeks.
(2) Your passport can be collected 7 working days after the application was submitted in Bangkok at the passport Office in Luxembourg by a duly authorised person designated by yourself against presentation of the passport application receipt issued at the Embassy, and your current passport if applicable.
(3) This service makes it possible to reduce the passport production time to a maximum of 3 working days. For this purpose, a 200% surcharge is applied to the cost of the passport. In addition, the newly passport issued must be collected at the passport Office in Luxembourg.
